About

I'm Bikram Biswas, a passionate GIS professional with over years of experience in geospatial data management, analysis, and visualization. With a solid academic foundation (M.Sc. in GIS and B.A. in Geography) and hands-on expertise in deploying cutting-edge GIS tools, I thrive in delivering impactful solutions for complex spatial challenges.

PERSONAL INFORMATION

Gender - Male

Date of Birth - 08th September 1997

Nationality - Indian

Hobbies - Tech Enthusiast, Geocaching, Spending time with my peer group & Yoga

Permanent Address - 35/3 Mother Teresa Road, Shastrinagar, Tringa more, Dist- Japaiguri, West Bengal - 734001

Present Address - Jayanagar 9th Block, Bengaluru, Karnataka – 560041

Language Known (Speaking, Writing, & Reading) - Bengali, English & Hindi

EDUCATIONAL QUALIFICATION

M.Sc in GIS (2018 - 2020)

Institution Name - Bangalore University

Class - First Class with Distinction

76.65% (CGPA -7.92 & SGPA - 7.58)

[[Rank Certificate](#)]

B.A. in Geography (2015 - 2018)

Institution Name - North Bengal University

Class - Second Class 58.87%

[[Certificate](#)]

12th STANDAR (2015)

Institution Name – Nilinalini Bidhyamandir High School

West Bengal Council of Higher Secondary Education

Class - First Class 80.00% (Grade - A+)

[[12th Certificate](#)]

ESRI Certification

[Putting Your GIS Skills to Work](#)

[ArcGIS Online Basics](#)

[Foundation and Frontiers](#)

TECHNICAL SKILLS

GIS & Remote Sensing (QGIS, ArcGIS Pro, ERDAS Imagine), Web GIS (ArcGIS Online, Google My Maps), Mobile GIS (ODK Collect, QField), CAD & Mapping (AutoCAD Map 3D, Google Earth Pro), Database & Querying (SQL), Productivity & Collaboration Tools (Microsoft Excel, Google Workspace, Airtable, Confluence, Slack), Project Management (Primavera P6), Spatial Analysis, Web Mapping, GIS Data Management.

WORK EXPERIENCE

Internship – BharathaBhoomi

Feb 2020 – Jul 2020 | Hybrid [[certificate](#)]

- Conducted factory mapping in Bengaluru using DGPS and ODK Collect.
- Developed Web GIS solutions and interactive maps using GIS tools and Google My Maps.
- Created 360° virtual tours using Insta360 camera and Lapentor software.
- Participated in geospatial and GIS workflow training programs.

BharathaBhoomi

Designation – Geospatial Specialist & Geospatial Trainer

Feb 2021 – Dec 2025 [[Experience Certificate](#)]

- Performed geospatial analysis and executed GIS-related project tasks with a strong focus on accuracy and quality.
- Delivered GIS training sessions and workshops to students and professionals from institutions like NIE Mysore, Bangalore University, St. Joseph's University, BMS College of Engineering, and Mount Carmel College.
- Prepared and maintained high-quality spatial datasets while ensuring timely project delivery.
- Coordinated with team members and reported project progress to management.
- Supported capacity-building initiatives by training interns and trainees in GIS tools and techniques.
- Maintained professionalism, accountability, and strong collaboration with team members and clients.

Stronghold Investment Management

Designation – GIS Analyst

Jan 2026 – Present

- Performed digitization and editing of spatial data based on client requirements, ensuring data accuracy and consistency.
- Conducted georeferencing using land records to align spatial data with the correct coordinate system.
- Developed and maintained GIS databases following standard procedures to ensure data integrity and security.
- Integrated data from multiple sources to support GIS analysis and decision-making processes.
- Executed data entry tasks efficiently while maintaining high levels of accuracy.
- Worked extensively on deed plots, ensuring precise mapping and data validation.
- Achieved daily production targets for CRM tracts, development areas, UAT tracts, and allocation setups across assigned regions.
- Maintained 95–100% accuracy in data digitization through continuous quality checks.
- Consistently met project deadlines and delivered all assigned tasks with high productivity and efficiency.

Declaration:

I, Bikram Biswas, solemnly declare that the information provided in this Curriculum Vitae is true and accurate to the best of my knowledge. I assure you that, if given the opportunity to work in your organization, I will apply my utmost efforts and prove my worth.

Bikram Biswas
